THE GAZETTE is free to all residents, and is a non-profit-making publication. It is partly funded by local businesses, but mainly funded by your patronage of village activities, and your subscriptions to local associations.

It is also online at www.galmptontorbay.org.uk via **THE GAZETTE** links.

Views expressed are not necessarily those of the **Sponsors** or **The Editor**. Please inform **The Editor** of any important errors or omissions.

Front Cover - **Galmpton Windmill** from painting by **George Bedford** 1850-1920.

Editorial - Welcome to 2008

I wish you all a *Happy New Year* and trust that you are keeping to all your new resolutions for 2008. Recently, the **Galmpton Residents' Association** has been collecting its **£2.00** subscriptions for 2007. When paying his £2.00 a *very, very, nice man* in **Manor Vale** made a voluntary donation towards **THE GAZETTE**, because he felt it was worth it. It is **free to all residents**, but if you are moved to make a similar gesture, then **Gary** at the **Galmpton PO** will be happy to accept your donation on my behalf.

Radical Local Road Plans

It seems we must brace ourselves for radical proposals to our local roads. The **Council** is reconsidering the **Windy Corner** development, which aims to speed-up traffic on this dangerous section of **Dartmouth Road**, while the **GRA** is proposing traffic lights at the **Manor Vale** junction to make it safer. The earlier plan for traffic lights at the **Greenway Road** junction would have encouraged too much traffic along the very narrow bit of **Greenway Road**. Even the revised **GRA** plan will force more traffic along this route due to the **No Right Turn** restrictions at the top of **Greenway Road**. See **Page 14**.

More Delivery Volunteers

We already have about forty volunteers who deliver your magazine, but for the new areas of **Blue Waters** and **Hookhills** a few more would be useful. Please contact the **Editor** if you are able to help, especially if you live near **Broadsands Park Rd, Hookhills Rd, Hookhills Gardens, Fox Tor Close, Hunters Tor Drive, Hound Tor Close, or Bridle Close**.

Firework Regulations

I have been asked to remind people, like the Galmpton resident who let off fireworks on the weekend of 3rd and 4th November until 2:30 in the morning, about **The Fireworks Regulations 2004**.

These regulations are intended to minimise the risk of fireworks to people, animals, or property, and they **prohibit** their use after **11:00 pm**, except for **November 5th** and **New Years Eve** when they can be used until **midnight**.

Galmpton Floral Days 2008

A new year and a new set of village events to anticipate - amongst them are

Galmpton Floral Day – Open Gardens – Sunday 8th June 2008

&

Galmpton Floral Day – Celebration of Skills - Sunday 7th Sept. 2008

Don't miss out; ensure these dates grace *your* new diary or kitchen calendar!

Already both new and familiar gardens have signed up to open and delight visitors, but we always require more. All those keen gardeners willing to participate please contact **Tony & Priscilla Hannam 01803 844278** ASAP.

News Flash! A **Scarecrow Sculpture Competition** is in the pipeline for **Open Gardens** day. Sited around the village it would be open to all ages, individuals and groups alike. So have a go! Watch this space for details.

Although nine months away the planning of the **Celebration of Skills** day is already underway. The popular and established events will remain but additions are under consideration - a stand-alone **Cookery** event for one! The Booklet of Show Schedules with details and entry forms for all the Shows will be on sale in **The Galleon Stores** in **March**. So no excuse; there will be plenty of time for you to plan all your many entries!

Galmpton Floral Project - Update

We strive to achieve the aim of bringing floral colour to our public spaces.

Thanks to the planning and hard graft of the **Pascoe** and **Warren** families, the very successful bed around the **Jubilee Tree** was refurbished in the autumn with the topsoil being replaced, quantities of manure applied, and much new planting undertaken. Our very grateful thanks to **Jenny Brown**, **Dave Cleave**, **John Crisp**, and **John Harvey** for generous donations of manure, topsoil, use of machinery and plants. The bed is already colourful and promises to be a picture throughout 2008 and for years to come.

In addition we have been able to make further substantial plantings of spring bulbs in the grass areas at the top of **Langdon Lane**, the top of **Manor Vale**, the upper corner of **Manor Bend**, the junction of **Manor Vale & Greenway Road**, and the **Roundings** triangle. Partly funded by the proceeds from the **Galmpton Floral Days**, our grateful thanks goes to both **Torbay Parks & Gardens**, who, when digging out their spring beds, made bulbs and plants available for the taking, and to **Torbay & South Hams Garden Centre** who are always most generous and supportive. The spring display around the village should be stunning and it started on **January 4th** when the first daffodil bloomed at the top of **Langdon Lane!**

Words and Music

My apologies to all those who kindly expressed disappointment at the cancellation of the **Christmas Words & Music**. The 'Music' had to pull out at a late date, and being a busy time of year for performers, a replacement was unable to be found. However, a date has been pencilled in for **Friday 19th December 2008**. If interested, there is a date for your diary.

An event along the lines of **Words, Jazz & Song in a Summer Garden** is being considered for early summer. If it materialises, details will be made known via posters, and the next issue of **THE GAZETTE**.

We hope everyone enjoyed Christmas and New Year. The pub was busy, and many thanks to all those who visited us.

Looking ahead now, Matt and AJ have introduced new menus and daily specials to reflect the time of the year. We're also thinking about themed evening menus – Indian, Greek, and so on. If you have any favourites, let us know!

Also, watch out for:

- **Thursday 14th to Saturday 16th February:**
Valentine's Day menu with a free glass of bubbly for the ladies.
- **Sunday 2nd March:**
Mothering Sunday with a free pudding for Mum.
- **Friday 21st to Monday 24th March:**
Easter menu with a free mini egg for the children.

Don't forget that we can create special menus for your special function – weddings, christenings, birthday parties and so on. If something is on the horizon, why not pop in to discuss your requirements with the chefs?

And our open log fire is still burning away brightly to welcome you, whether for a meal or just a quick drink. We look forward to seeing you.

Please note our new telephone number should you wish to make a reservation.

Post Office Update

The national **Post Office** closure programme moves into the **Devon** area this **February**. In the next few weeks we will discover if we have been successful in keeping a **Post Office** within the village.

Gary & Kay would like to thank all our customers who have supported the **Post Office & shop** over the last year by using the facilities on offer and by signing up to the new products now available. Hopefully, even more of you will take advantage of these this year.

We have received good feedback from customers who have taken out the **Post Office Broadband** package and **Post Office Credit Card**. Many customers are now using us to purchase **Euros, Dollars**, and other foreign currencies. The **Instant Savings** account has also proved very popular.

By adding the free-to-use **Cash Machine** to facilities already offered by the **Post Office**, all bank accounts are now accessible in the village for cash withdrawals.

We believe the way forward to a sustainable and successful **Post Office** can only be achieved by offering the community these new products and services, linked to extended opening hours (see above). We are hopeful the authorities will see it the same way.

MUSIC WITH MUMMY

Hello! My name is **Carol Holbrow** and I run a range of fun music classes especially for babies and toddlers aged 3 and under. Class sizes are deliberately kept small to allow each child the opportunity to join in, for parents/carers to get to know each other, and for everyone to have fun in a relaxed, friendly atmosphere whilst learning at the same time.

Classes run during term times on various days and locations, and children come along each week with a special adult - mummy, daddy, grandma, or granddad, or someone else important.

If you would like to know more about this popular music education programme that has been running since 1992 in other parts of the country, contact **Carol** on **(01803) 842839** or visit my website.

Winter Warmth – Remember 21°C (70°F)

The biggest challenge for us each winter is to encourage older people to stay warm and safe but at the same time to help reduce the bills. Sounds impossible? Read on.

Keep a daytime temperature in your living room of **21°C** or **70°F**. Any less and you are more susceptible to illness or a fall in the home. For people who are worried about fuel bills **Age Concern Torbay** offers help both in increasing income and in reducing fuel costs.

If you or someone you know are worried about paying heating bills contact **Carolyn Williams, Age Concern Torbay Fuel & Money Advisor** on **01803 546432**

170 people were helped last year.

Donations

Age Concern Torbay welcomes donations to keep the **Fuel & Money Advice** service running. Just **£15** buys an emergency heater; **£25** pays for a benefits check. Whatever you give, will mean that more older people in Torbay keep warm and heat their main room to **21°C (70°F)**.

Please send your donation to

Age Concern Torbay, 4 Dendy Road, Paignton TQ4 5DB

Thank you.

Volunteering

We have over **90** volunteers assisting in a wide variety of roles. If you have spare time available, and would like to make a difference to the lives of older people in Torbay please contact **Steve Knight** on **01803 841841** for an application pack.

Keep warm and well!

Broadsands & Elbury Residents Association

www.broadsandsandelburyra.sm4.biz Secretary: Joan Blake 01803 843423

E-mail: broadsands.elbury.residents@googlemail.com

We are a group of volunteers who meet once a quarter to help maintain and enhance the quality of this part of the Bay.

The objectives are simple, and over the last **50** years the Association has endeavoured to :-

- Monitor local developments
- Share ideas on how to bring about improvements
- Raise awareness about local issues – both positive and negative
- Represent and provide support on behalf of residents with the local Council

Making Contact

Contact us by means of a post box located in the office of **Eric Lloyd Estate Agents** at Churston Broadway. Send an E-mail, post a message on the website, or simply read the notice board outside **Squires Fish and Chip Shop**. Alternatively, phone us on **01803 843423**.

Membership

It is easy and inexpensive to join. The once a year cost is **£2** per family or **£1** for a single person. Our collectors will be calling for subs in early 2008.

Achievements

There are ongoing concerns regarding **Stagecoach** double-decker buses that park inappropriately outside the library, close to the junction with **Dartmouth Road**. This is a potentially dangerous situation and we continue to work to address this.

We provided backing and financial support in the campaign to prevent the significant residential development in the farmer's field between the railway and **Broadsands Road**.

Regular contact is maintained with our local **Community PC Glenn Chambers**. Many concerns were received about the proposed motor cycle training at **Broadsands Car Park**, and we contacted the mayor about this. The indications are that this will not proceed.

As a direct result of our monitoring of the **Beach Car Park**, action has been taken by the **Council** to improve signage, repair of the wooden posts, and the **Council** seem to be more proactive in its management of the **Car Park**.

We were involved in getting the **Churston Library** car park resurfaced.

Legal advice was sought and funded by **The Association** regarding **Covenants**. **The Association** has made contact with **Torbay Council** in respect of residents' concerns over various planning applications and individual worries.

HOW YOU CAN HELP

In **June 2008** we will be celebrating our **50th** year and we hope members will join us at the **AGM** to commemorate this landmark occasion. Why not get in touch and we can work together to preserve and protect Broadsands and Elbury for the future. We would welcome new committee members.

Thank you for your continued support.

Road Building on Galmpton Common Windy Corner Junction Scheme

We urgently need your support. The contentious issue of road building on **Galmpton Common**, to speed up traffic flows around **Windy Corner**, is to be discussed by **Torbay Council Transportation Working Party**. They meet on **Friday 22nd February 2008** at **9:30 am** in **Torquay Town Hall** to discuss the proposed *improvement scheme* for **Windy Corner Junction**. **The public is welcome to attend**. Councillors will consider the **2006** public consultation, and decide whether to seek funding and land acquisition (from **Galmpton Common**) to execute the proposals, or to abandon the scheme.

The **2006** proposals were to create a longer filter lane across the bus stop, to speed traffic on to the ring road: **EITHER** by cutting into the main common *on the west side*; **OR** by making a loop for traffic to Brixham *on the east side* around the Bascombe Road island and cutting across the car park opposite the **War Memorial**. A **2.5-metre wide cycle-path** would run the length of the common. The **bus stop** would move to the south of the **War Memorial**. Computer models show only a limited improvement in traffic flow through the junction in this one direction would result.

240 people attended the **GRA** exhibition in the **Village Hall** in **June 2006**. **81%** replied to Council Questionnaires that the proposal is **unnecessary**. Their comments sent a strong message "**Hands Off Our Common**", given to the People of Galmpton and Churston, as a War Memorial. It is a County Wildlife Site with rare Devon orchids and other wild plants and has some of the finest views in Torbay. Disadvantages outweigh any advantage.

Numerous suggestions were made of alternative means to control traffic volume and divert unnecessary journeys, such as automated "**Brixham Car Parks Full**" signs and an efficient **Park and Ride** scheme in **advance of Windy Corner**, more efficient bus services, and car sharing. A solution attracting more car growth would be short-sighted, short term and illusory, moving congestion only as far as the next choke point. Many also said that faster traffic, particularly in the slip lane, would increase danger and make access to and from **Galmpton** even more difficult for cars and pedestrians. Since **2006** it has been sadly proven that speed on this road **endangers lives**, and safe junctions should be a higher priority, with traffic lights to allow controlled safe passage for traffic across the fast northbound lane.

To safeguard ***Our Common*** and demand safety on ***Our Roads***, GRA recommends you **write to the Chairman, Transportation Working Party, Town Hall, Torquay, TQ1 3DS**, or E-mail **dem.services@torbay.gov.uk**. Send a copy to Councillors **Derek Mills** and **Anna Tolchard** at the Town Hall, or **derek.mills@torbay.gov.uk** and **anna.tolchard@torbay.gov.uk**. We also urge as many **Residents** as possible to **attend the meeting**.

Clear expressions of the strength of village opinion have influenced Council decisions in the past.

Traffic Calming Galmpton Gateways Consultation Result

Thank you to those who replied to our **Traffic Calming Gateway** enquiry. We received approximately **40** formal comments, but many more verbal responses were given to our volunteers during the recent subs collection.

- Around **92.5%** of residents supported the Torbay Council Gateway proposal, and were in favour of the general principle of the gateways, feeling this would help improve road safety and reduce speeding.
- Of those in favour, **81%** of respondents wanted this supplemented with flashing "**Slow Down**" solar power signs.
- The majority of respondents want this linked to GRA's proposal of a **20-mph** limit to further improve road safety and reduce accidents.
- Some drivers who live outside of the village were opposed to a **20-mph** limit, but we cannot take their views, as we do not represent them.

These views have been fed back to the Highway's department and local councillors; we will feedback any news as soon as we have it.

Greenway Road / Dartmouth Road Junction Fatality

We have received a number of suggestions from residents to improve the safety of this junction following our report in the last edition. We initially suggested traffic lights and pedestrian crossing at the Greenway Road junction. However, there seems to be greater support for **traffic lights** and pedestrian crossing at the Manor Vale Road junction to lessen traffic in Greenway Road. Then to improve safety at the Greenway Road junction, introduce a **No Right Turn** from Greenway Road (to Brixham), and also a **No Right Turn** from Dartmouth Road (from Paignton) into Greenway Road.

We would be keen to hear your views on this.

Community Partnership

We are hoping to send a representative to the **Galmpton and Churston Ward Community Partnership**. This is a Council led group involving local stakeholders whose views are sought to help influence the way services are provided and policies are made.

GRA Subscription Collection

GRA Membership is now running at record levels following a splendid effort by our volunteers to collect the **2007** subscriptions recently. Thanks go to our generous residents and the collectors for their support.

The costs of the Association have been met, and there is a reasonable surplus to start rebuilding the reserves, based on **Mrs Betsy Treadgold's** legacy, so that we might have the wherewithal to support any future necessary action, perhaps involving legal advice.

If you have not yet had a chance to pay, and do not want to feel left out, **Kay & Gary Deare** at **Galmpton Post Office**, have kindly agreed to accept your subscription on our behalf. Place **£2** in an envelope, with your name and address, plus E-mail address if you would like to be kept in the picture.

The next GRA meeting is at 7:30 pm Wednesday 27th February at the Manor Inn (back room) ~ Anyone can attend.

After its much-needed refurbishment by **Darren** and **Dave** from **Wanted Properties**, the skate-park and mini-ramp are looking respectable again, though the tarmac surface needs some remedial attention! However, due to its generally declining use by local young people, there are some question marks over the future of the facility. The issue has been debated with the **Churston War Memorial Trustees** with the proposal that **Churston Ferrers Grammar School** should later assume responsibility for its use, perhaps as a different leisure facility.

Your Opinion Wanted

The **Youth Project** is interested to receive the views of the current users. Do you think there is continuing demand for its use as a skate-park or could it be usefully converted to a different function, say as a basketball court, which is a popular suggestion amongst pupils at the **Grammar School**? The **Youth Project** will continue to help financially support its use for the immediate future with fund raising stalls, but we would be grateful for suggestions for its longer-term use.

Restaurant • Bar • Hotel

The Weary Ploughman at Churston was taken over by the **Snowdon** family in **June** last year. This is a whole new experience for **Michael** and **Helen Snowdon** who have been involved in the retail motor trade in Paignton for over forty years. However, their son **Christopher** has been a professional chef for nearly ten years.

Sadly, **The Weary Ploughman** – which was originally a Victorian railway hotel built in the late 1800s – had received no investment and very little maintenance for a number of years in spite of its excellent potential.

During **October** and **November** last year work was carried out to ‘refresh’ the poor old **Ploughman**. The interior has been given a total facelift with an attractive new bar, an informal ‘Bistro’ eating area and totally refurbished restaurant areas.

During **January** and **February** **The Weary Ploughman** will benefit from some more T L C when it will be given a new coat of paint outside and the letting rooms will be up-graded.

New lunchtime and evening menus have been introduced for the Bistro and the Restaurant. The **Sunday Roast** is served at the table rather than as a carvery and will be available until **8:00 pm**. During the **Sunday Quiz Night** (the Quiz starts at **9:00 pm**), if anyone is feeling peckish there will be a choice of Tapas - light snacks - to choose from.

To encourage you to come along and join us at the ‘**not so Weary Ploughman**’ we have some tempting offers:

Our **Winter Warmer** dishes, available at lunchtimes **Monday to Friday**, are from only **£4.95**.

During weekday evenings we are offering **two 6-oz Rump Steaks** plus a **bottle of wine** for **£20** for two people.

On **Thursday** evenings we have our **Italian Night** with two courses for only **£10** per person.

All our delicious desserts are home-made. These offers are available until the end of **February**. Our normal menus are always available as well.

We look forward to welcoming you.

Happy New Year!

I wish a belated **Happy New Year** to everyone. I hope you had a very enjoyable festive season. The Club was extremely busy over **December** and the **New Year**, and although the **Christmas Decorations** are well and truly down and packed away, we still have the last remaining company **Christmas Parties**. So the Chefs will have to cook a little more Turkey and those "Pigs in Blankets" (why we don't have them all year round I really do not know).

The start of the **New Year** brings hope for so many things, including a turn for the better in the weather, which to say the least has been **wet**. In my eight years at the Club I think it's one of the wettest periods we have had. The Course has stood up well to the torrential downpours, only being closed on a couple of occasions.

Junior Participation

As always at **Churston** we are keen to encourage **Juniors** to participate in the Club. I would ask any local residents whose **children** or **grandchildren** have shown any interest in the sport whatsoever, that they contact our **Club Professional, Rob Butterworth** or his first assistant **Sam Stephens**. They are able to speak with some authority about the programmes in place to hone young talent.

Sunday Lunches

Sunday lunches continue to be very popular and again I would encourage all local residents who have not tried our **Sunday Fare**, to make a reservation for **Sunday Lunch** on **01803 844537**, and come and see what we have to offer.

£6,000 for Captain's Charity

I would like to end with a note about the **Captain's Charity** the **R.N.L.I.**, and in particular the initiative **Train One Save Many**. In the last nine months **Tony Criddle** our **Captain** and the members of the Club have worked hard to raised over **£6,000** for this very worth while cause.

The money raised goes specifically to train the crew on all the up-to-date equipment and life saving techniques. **Tony** still has a couple of months to go before he hands over to **David Mytton**, so there is still time to raise a little more.

Galmpton United Football Club

Report by Paul Smith

Galmpton United Junior FC

Sponsored by Bradleys Estate Agents

The South West's largest independent estate agents

Hi all, and welcome to **2008** and our continuing junior football season, which actually has come to something of a stand-still in terms of games being played across the board.

Unfortunately the *great British weather*, being a combination of heavy rain and strong winds, has put paid to many of our fixtures, both home & away. This has resulted in a considerable backlog of unplayed games being created, much to the dismay of the **Pioneer Youth League** fixtures secretary (see www.pioneeryl.co.uk).

Obviously preservation of the pitches, and in particular the goal-mouths (that's the often muddy bit just in front of the goals for those not 'au fait' with the technicalities) is a major consideration here. Also, for the welfare of the kids, it is important not to expose them to inclement weather and potentially dangerous playing conditions (not to mention the weather-sensitive managers and coaches of course).

However, I am pleased to report that our **Under 10s** first training session did go ahead on Saturday 5th January as planned. One could certainly see the effects of the festive period in terms of too many chocolates, too much turkey and Christmas pudding, and perhaps 'one over the nine' on the alcohol front. As for the kids, they were fine, as keen and eager as ever!

Unfortunately, both the **Under 10s** and **Under 11s** *crashed out of the cup* (another famous football pundits phrase) to good opposition, whom I am sure will go on to lift the trophies. In any case, we get to play in the '**plate**' competition, which is equivalent to the **League Cup** of old I guess. Besides, the kids feel good about it, because they still have the opportunity to win a medal, and more importantly play more football, which is what we all want.

Anyway, hopefully I will be able to report more on our progress next time round so bye for now fans...!

Registered Charity: 1067831

Dart Sailability is a charity that organises and runs water based activities on the **River Dart** for disabled people of all ages and disabilities.

We operate out of **Noss Marina, Bridge Road, Kingswear** on a **Tuesday** and **Saturday** morning from **May** until **September** and we have a specialist fleet of sailing dinghies, day boats, and motor boats that enable the disabled to enjoy the beauty of the river.

We are also an official **R.Y.A.** centre for **Instruction** and are able to issue certificates and train new able-bodied volunteers to basic **Instructor** level, for both sail and power.

We are funded by donations from many sources, but also from our own collection and selling of boat jumble. So if you have anything lying around that is not being used. **DON'T THROW IT AWAY**. Please call **David** or **Bruce** and we will happily collect from you.

Come on down to **Noss** and see what happens! You may like to become a volunteer helper, or be able to use our facilities to access the **River Dart**.

We look forward to seeing you there.

Christmas Carols Enjoyed

We trust you all had a happy Christmas and we wish you every blessing for 2008.

Once again it was great to be able to welcome so many people from the village and from further afield to *Carols in the Old Chapel*, and all the seats were full.

After singing some favourite carols and hearing from God's Word, we were brought face to face with the good news associated with Christmas, the coming of our Saviour the only beloved Son of God, our Lord Jesus Christ into this world.

God's Word reminded us of His purpose in sending His Eternal Son into this world, which was that He should live and die to save his people from their sins.

His was the sacrifice offered to God through the Eternal Spirit, that He might purge our consciences from dead works to serve the living and true God.

After which many stayed to enjoy some seasonal refreshments.

Easter Services

We invite you to come and hear the good news of the gospel of our Lord Jesus Christ, here in Flavel Chapel Hall during 2008.

Services are held on Sundays at 11:00 am and 6:30 pm.

Then in particular at Easter time, when we declare the work of the Saviour on the cross and His glorious resurrection from dead.

We also meet in the Flavel Hall for Bible Study and Prayer on Thursdays at 7:30 pm.

This year Easter is early, **Good Friday** being **21st March**. God willing the Services will be held in the **Flavel Chapel Hall** at **10:00 am** and on **Easter Sunday 23rd March** at **11:00 am** and **6:30 pm**.

We look forward to seeing you then.

Coffee Morning

We invite you to join us for coffee any time between **10:00 am & 12-noon** on **Wednesday March 5th** in the **Flavel Chapel Hall**.

Extra Early Easter

As you will all have noticed, Easter is early this year. In fact Easter couldn't be any earlier, as it falls on the first Sunday after the full moon following the vernal equinox, which is the 21st of March. As March 21st is also the full moon, **Easter** will fall on the **23rd of March**.

Lent therefore starts in February with **Shrove Tuesday** being the **5th Feb**. **Shrove Tuesday** was the day when all the rich foods were eaten up in preparation for **Lent**, a tradition that is followed today by the eating of pancakes. Once again the **Vicar** and **Churchwarden** will be on **Pancake Making** duty outside the **Barn Chapel** at **3:30 pm**. All are welcome, so do please come along and share a pancake (or two!) with us.

The **Benefice Lent** course "**Listening to God's World**" was written by the Anglican Diocese of Exeter as an ecumenical course to help reflect on how the Christian faith is viewed in our society today. It tries to understand why Devon people have gradually abandoned the churches they were once so committed to. The aim is to catch a fresh vision of the true nature of the Church and the Christian faith, relevant to our present generation.

Courses are being run all over the area, and will be held on **Thursdays** at **10:45 am** in the **Barn** and **4:00 pm** in **Churston Church**. All are welcome to attend. Further details will be in the **Parish Magazine** for **February**.

Important Dates

Mothering Sunday will be on **2nd March**, and if anyone would like to help in making posies, please contact the **Churchwarden**. As usual we will be following our tradition of giving the Church a hug. If you don't know about this, please come along and all will be revealed.

On **Palm Sunday 16th March**, **David Warwick** will be presenting excerpts from **Handel's Messiah** at the **Barn Chapel** at **3:00 pm**.

Zahra Sugaring Practitioner in the Village

My name is **Jeanette Dempsey**, and I am a qualified sugaring practitioner working from my home in **Galmpton**.

Sugaring is a method of hair removal, using a natural sugar paste, carried out with minimum discomfort, and can be used on all parts of the body including the face.

Hair is removed from the root, so weakening new hair growth, and after a few treatments, hair will come through softer and less.

All the products used are natural, and the treatment is carried out in relaxed and comfortable surroundings.

Please ring if any advice is needed.

Local Homeopath

My name is **Sue Creaton** and I am a registered Homeopath.

I qualified in 1999 and completed a postgraduate course in 2000.

I moved to Broadsands from Paignton town centre in 2004.

I work from home and also do home visits.

Homeopathy is a safe and gentle form of medicine, which treats the whole person. Homeopathy is effective in treating acute problems such as recovery from surgery, dental procedures, and colds and flu. It is also effective in treating emotional problems such as grief, traumas, and stress as well as more chronic medical conditions.

“Outshine” Window Cleaning

We are a small friendly company established in 1987 based in Galmpton. We are reliable, trustworthy and above all honest.

Please allow us to provide you a no obligation quotation for your window cleaning – it may be more affordable than you think.

We are able to clean a variety of windows, including leaded, and can give you a competitive quote for emptying of guttering, or fascia and PVC wash-downs.

The company now provides new up-to-date technology with the advanced “Reach and Wash” pole system, taking us to new heights. Windows and conservatory roofs, previously inaccessible, can now be quoted.

We cover Brixham, Broadsands, Churston, Galmpton and Waddeton.

Cleaning Tips from ServiceMaster Clean your LOCAL

Carpet & Upholstery Cleaning Company call us on **0800 018 5550**

In each issue of **THE GAZETTE** your local ServiceMaster Clean will be providing useful cleaning advice. In this edition we outline how to best maintain your carpet.

- **Vacuum carpets at least once a week** - up to 80% of dirt in carpets is loose dirt that can be removed with regular vacuuming.
- **Use doormats** – keep dirt and especially sand, out of the house and off the carpets and rugs.
- **Protect the surface** – have your carpet fibres protected by a soil protector.
- **Rotate furniture** – premature wear and spoiling take place when traffic paths are unchanged.
- Have carpets **professionally** cleaned at least once a year. Please call us!

“The most thorough cleaning possible - guaranteed!”

Deep down cleaning plus fast drying...

- Carpet, upholstery & “in situ” curtain cleaning
- Dedicated oriental rug cleaning plant
- Stain Protectors - “ask about our special offers!”
- Odour removal
- Hard floor cleaning & polishing
- Carpet repair

Ron Campion is happy to exclusively recommend ServiceMaster for carpet and furniture cleaning as we have done for many years.
