## Delayed Delivery

You may have noticed that this edition of **THE GAZETTE** has dropped onto your mat a little later than usual, and I apologise for this delayed delivery. Normally, I expect to get the summer issue distributed before the end of April, in order to give you time to digest the dates for any events in May, June & July. The timetable has to start in the first week of April to collate the contributed articles and adverts, before sending a proof copy of the magazine to the printer in the second week. Once it is approved, it takes about a week to print all 2000 copies, which must then be parcelled into delivery rounds for the volunteers to post through your letter box.

## Family Vacation

This year my brother-in-law, who lives abroad in hotter climes, invited the whole family to stay with him. Since this includes our young grandchildren, the best time to take the vacation was in the Easter holidays, to minimise the loss of days at school. We all had an absolutely wonderful time, and it was the most amazing experience for the children to visit parts of the world they had only seen in books and on television.

However, this all meant that we did not arrive home until Sunday 14<sup>th</sup> April, and all suffering from jet lag. So the timetable for publishing **THE GAZETTE** did not get started until the third week of April, which is why it is a couple of weeks late in reaching you. Sorry!

## Home Sweet Home

One thing about travelling abroad is that on returning home you appreciate your home comforts even more. Although we bemoan our weather, it is mostly more pleasant than foreign climates, that can be too hot or humid. Only liberal application of factor 50 prevented us all from getting sunburnt. We also don't suffer from dangerous animals or annoying creepy crawlies. On top of that, Torbay must be one of the most attractive parts of the world, so I rest my case, literally, here.

### **The Galmpton Floral Project**

Firstly we transformed the Jubilee Tree bed & maintained it as a year-round focus of floral colour. Over the next 9 years, GFD funds purchased and planted spring bulbs in other village public spaces. At each stage Council permission was sought and until 2012 granted. No longer! So apart from the Jubilee Tree, the GFP will cease, but we are happy to have left a legacy that will continue to enhance the village environment.

## **Greenway Community News**

Greenway's romantic hideaway by the river is due for a facelift – not the house this time, but the Boathouse. Last year, we focussed our fundraising efforts on this favoured spot. The location is a greater horseshoe bat mating roost so if you hear strange noises in August this will be the male bats attracting their mates, the most vocal of the bat world attracts the most females. Bats require a temperature between 30 - 40 degrees even in summer, critical for the well-being of their young when they are born around mid June. So, a 'hot box' will be installed to create an environment conducive to the maternity roost. Once our furry friends are taken care of, work will begin on the interior walls, removal of old fixtures, repair of the plunge pool, and finally production of new interpretation materials to help tell the story of the Boathouse. If you would like to discuss these changes or any other aspect of Greenway's activities, please feel free to contact me on **01803 661856**, or email, **[carly.mays@nationaltrust.org.uk](mailto:carly.mays@nationaltrust.org.uk)**.

# Flavel Chapel Newsletter

Elder: Walford Catling: 559040

Written by Walford Catling

Village Contact: 843446

The Government is in the process of redefining marriage because it intends to elevate a permanent homosexual relationship to the status of marriage. Consequently the Christian religion becomes a 'bad guy' because it opposes such a drastic change. To the Christian the institution of marriage is not open to negotiation since it is defined and fixed by God.

In His Word, God consistently forbids the practice of homosexuality. An early law in a section on marriage simply states when addressing a man **"You shall not lie with a male as with a woman. It is an abomination."** (Leviticus Ch18 v22 NKJV.) This means that there is nothing wrong with the closest ties of affection existing between two people of the same gender, but what God prohibits is any attempted sexual intimacy or sexual activity between them. The word "abomination" in this context means that homosexual acts are offensive and hateful to God because such acts are not what God intended when He created us male and female with complementary sexual organs in order to perpetuate the human race. Marriage according to Scripture is a life-long covenant relationship between one man and one woman to the exclusion of all others that is consummated by sexual intercourse a pro-creational activity that is basic to human reproduction. The Christian faith therefore is opposed to all sexual activity whether heterosexual or homosexual that is outside of this definition of marriage.

This does not mean that a Church should not welcome those who fall short of this high view of sex and marriage as set by God. Each Church should be like Christ. He Himself met with prostitutes and adulterers although he did not condone or endorse their behaviour but on the contrary strongly told them to repent and be reconciled to God and then live a life in conformity with God's standards.

## From Churston Vicarage

As we look at our world today with war and violence in every news broadcast we must wonder whether God is still speaking to the world and if the spirit is still active.

Perhaps it is not surprising that I, along with my fellow Christians, believe that God still loves our world and is speaking to the world in a language that anyone can understand. The problem is that many of us choose not to listen and to ignore what he is offering. I am sure that if anyone is prepared speak with him and to listen to his response, God will come to them and bring them his peace. I believe this experience of God comes to us best when we are with other like minded people: which is why the church exists.

Over the next few months we will be meeting in the Parish Church and the Barn Chapel in Galmpton to pray and celebrate God's involvement with our world. We will be doing this in Eucharist services, and non-Eucharistic services (Services of the Word), and invite you all to join us at either type.

Treasurer: Alan Knight: 844425

Hall Bookings & Secretary: June Symes: 842121

Following the A.G.M, having just completed another year, the fact that the well-being of the Galmpton Institute depends on the service and dedication of individuals serving on the Committee, is now very much highlighted.

Firstly, we are to lose Philip Griffin, moving from Galmpton to be nearer his family. Stating that Philip was a past treasurer is totally inadequate in describing the quiet, methodical dedication that he gave in service to the Institute. Thank you Philip on behalf of the community.

In addition, Babs Renwick, although remaining on the Committee, is to abdicate her duties of Booking Secretary for the Institute. For many of you, when booking the hall, Babs, for many years, has been the ambassadorial link. The Committee is very grateful to her for her indispensable services.

June Symes has kindly offered to take on the responsibility for bookings, as well as remaining Secretary. May I remind everyone that all members of the Committee are volunteers.

## **Neighbourhood Planning**

We are happy to report that work on Galmpton's Design Statement and Neighbourhood Plan documents is more or less complete and will be posted on the website for comments from residents in the near future. This has been our main focus for the past year. The draft document has been passed to the Brixham Forum and the Community Partnership to be included in a wider Plan covering the Brixham Peninsular (which combines Brixham with Churston, Galmpton and Broadsands).

It is, however, still very much a working document so that any comments from residents on any aspect will be very much valued. You may well have specialist or local knowledge not yet included. If you do not have a computer and would like to read a copy of the Plan, please let us know - 01803 844866 or E-mail as detailed above.

## **AGM and Committee**

We held our AGM during March re-electing most of the Committee and Officers and welcoming Mr. Ken Cripps as a new Committee member. We were sorry that Marilyn Everitt was unable to continue as Chair for this current year and thanked her for the enormous amount of work she had put into covering this role in past years.

As a result we are looking for a Chair person. It was decided at the AGM that the work of the Chair would be shared amongst the Committee until an appointment could be made. We warmly welcome anyone who would like to be involved in our activities – just contact us and come along to a Committee meeting to get to know both us and the work we are doing. We are also hoping to find someone who has time to help us with redesigning and updating our website.

## **Questionnaire Raffle!!**

Our AGM concluded with the drawing of the raffle connected to the very successful return of Neighbourhood Plan Questionnaires. We can therefore report that a resident living in the Galmpton Farm area of the village was the happy recipient of £25.00!

## **Village Bus Service**

We are grateful to Peter Royle who has kindly offered to look for alternatives to the bus service between Galmpton and Paignton, which has been withdrawn. This service was very important to people without cars who at present have to walk the often challenging distance to the main Dartmouth Road to catch a bus.

Peter is therefore discussing this with the Torbay Council and with various bus companies. He has been co-opted on to the Committee temporarily to follow through this single issue and we very much welcome his presence as well as this sort of initiative.

## **Golf Course Discussions**

We continue to support R.A.G.S. and congratulate those involved in their successful objections thus far.

See the next page for a news update.

## **Committee Meetings**

At present the GRA Committee meets on an ad hoc basis about twice a month in member's homes, rather than at the Churston Pavilion as before.

Any Galmpton resident wishing to get involved would be warmly welcomed, and to discover the time, date, and place of the next meeting please ring Christine Batten on 01803 844866 or E-mail as detailed above.

## **News Update**

- On the 11<sup>th</sup> March, Churston Golf Club's latest Planning Application came before the Council and was Refused by a majority of 5 Councillors.
- The remaining 4 Councillors on the Planning Committee wished to Defer the application for later consideration, in the light of the amount of late representation papers from both sides.
- The Bloor Homes representative has stated that the decision will be Appealed and they have 6 months from the date of the Decision in which to make an Appeal.
- Alternatively, Bloor Homes may decide to submit a new Planning Application or even abandon the project.
- Whichever course of action is taken RAGS and the Community Partnership will be ready for action.
- Discussions have already begun with Torbay Council Planning Department to commence the process of preparation and information gathering.
- Defending an Appeal will require us to appoint Expert Witnesses and Legal Representatives to put before a Government Inspector. The Appeal process can take a number of months to materialise.

# Community Partnership

## Churston, Galmpton & Broadsands

---

In May, residents are all invited to this year's Annual General Meeting:

### Community Partnership AGM

**Wednesday 22<sup>nd</sup> May at 7:00 pm**

**in Churston Ferrers Grammar School Hall**

This meeting will provide an update on the work of the Partnership and be your chance to elect the steering group for the next 12 months. If you are interested in joining the steering group, or standing for an officer position, please contact the Chairman in advance of the meeting.

### Neighbourhood Plan

The AGM will also be your chance to see the latest draft of the Neighbourhood Plan. These regular consultation events, which the Partnership keeps holding as the Neighbourhood Plan develops, are fundamental in ensuring the plan properly articulates the views of the whole of the local community and is robust enough to withstand a challenge by developers.

This was confirmed most recently by the Planning Minister, Nick Boles MP, during a meeting at Dartington on the 11<sup>th</sup> April. The Community Partnership attended this meeting, which was organised by Sarah Wollaston our local MP, and we were told clearly that the more consultation events an area holds, the more weight will be given to the Neighbourhood Plan.

So please do your bit, by coming along to the meeting, and providing your views.

Many residents across our area are volunteering evenings and weekends to actually write the Neighbourhood Plan and they will all welcome your support.

Importantly, at the meeting you will be able to see what we have called 'village design statements'. In the Neighbourhood Plan there is one for each of Churston, Galmpton and Broadsands. These documents seek to capture the essence of the respective village, and outline in specific detail what development going forward would (or would not) be appropriate. Your views on whether we have got these statements right and how we can further develop them would be appreciated.

In these difficult times for many people, in addition to our usual professional service, we are pleased to offer a further *'personal touch'*:

### **'ASSISTED SELF-HELP'**

What *is* Assisted Self-help, I hear you cry?

It is limited legal assistance at reduced rates.

**Assisted self-help** can be particularly helpful in dealing with 'Small claims' cases or 'Employment' matters where full representation may not be appropriate or viable.

A qualified Solicitor will provide you with a 'free half-hour' assessment of your case, advise you whether it is worth pursuing and how to set about it.

While we are happy to offer advice throughout our working week, at Paignton office we are delighted to remind people about our **'Walk-in-Wednesdays'** – a drop-in facility on Wednesdays **between 4 p.m. and 7 p.m. (no appointment necessary)** at which you will have the opportunity of a free half-hour assessment. First come, first served. (Last session 6:30 p.m.).

We are also happy to offer "No-win, no-fee" agreements in appropriate **Personal Injury** and **Employment matters** (free half-hour assessment).

We can also help with advice in bankruptcy or debt-related matters. Once again, there is no charge for the first half hour.

So, 'drop in' or give us a call. We'll be pleased to help.
