## **Greenway Community News**

As autumn arrives we could be saddened by the passing of a beautiful summer, but we are rewarded at Greenway with the opening up of fabulous views through the trees towards the river and the fun of leaves crunching beneath our feet. At this time, our thoughts turn to closing our doors for the winter, which gives the conservation team a chance to deep clean the house and contents, and leaving it some time to rest. However, we also have some delightful events planned to invite people to see what we get up to in the colder months. Please read on for details.

**Have you ever considered volunteering at Greenway?** Training for the 2014 season will begin in February, so it's a good idea to get in touch over winter and submit a registration form in January. For further information you can contact our **Volunteer & Community Involvement Officer, Caroline Kendall** on **01803 661856** or [caroline.kendall@nationaltrust.org.uk](mailto:caroline.kendall@nationaltrust.org.uk).

## New Pastorate

The 31<sup>st</sup> August 2013 saw Ian Cameron inducted into the Pastorate of Flavel Chapel. Ian had been preaching regularly for us and both he and the Church felt the Lord drawing them together so an invitation to become the Minister of the Church was given and Ian accepted. Over 60 people representing local Churches as well as those further afield gathered together to welcome Ian to the Pastorate. He commenced his official ministry with us on the 1<sup>st</sup> September and a Church 'bring and share lunch' followed the morning service. We plan to hold these regularly on the first Sunday of every month following the morning service.

Ian who is from New Zealand is married to Linda and they have 4 children, John (6), Micah (4), Daniel (2), and Tabitha (6mth). Ian was formerly the Pastor at Great Parks Chapel and has lived in Paignton now for several years. He also teaches at Churston Ferrers Grammar School as a supply teacher.

## New Amenities

Since Ian came to the Church we have started a Sunday school for primary school age children and a crèche for those under school age, both of which take place during the Sunday morning service. On Thursday mornings between 10:15 & 11:45 am there is a toddler group in Flavel Chapel Hall at The Roundings and in the evening on Thursdays between 3:45 & 4:45 pm there is a homework club also in Flavel Chapel Hall. Further details and contact numbers are on the website, particularly the **What's on** section.

At the moment, a fortnightly Bible Study is being held at Ian's house on Wednesdays at 7:45 pm. This alternates with a prayer meeting in Flavel Chapel Hall on the other Wednesday at 10 am. Details are on the website or by E-mail to the Pastor.

Please refer to **Page 25** for the times of our regular services.

## From BRIXHAM RECTORY

We have moved to Brixham and are now adapting to life in the Rectory. Most of you will be aware that on the **24<sup>th</sup> November at 2:30 pm** there is to be a special service in **Churston Church** when the **Bishop of Crediton** will officiate at the service to licence me as the **Team Rector** for the **Brixham Mission Community**, hence the move to the Rectory.

It has been quite some time since this was first announced because we had to have Her Majesty's approval, since she is the Patron of the Mission Community; and I, for one, feel it is a great honour that Her Majesty takes such an interest in our life here in Devon. Of course even this pales into insignificance when we consider the interest our Heavenly Father shows in all our doings and I am quite sure that he is watching over all the developments which are taking place here.

This change in role and residence, however, does not mean that I shall not be involved in Churston and the Barn. I envisage taking just as many services, weddings, baptisms and being just as involved in the life of the Church here as I have been over recent months. I will, though also be involved with All Saints, and St. Mary's Brixham - so busy times are ahead. I hope that in the foreseeable future we will be able to appoint a Team Vicar to assist in the work. However, in the meantime, we have our Christmas services to look forward to and exact details of these will be available soon.

We hope that you will continue to support us in your prayers and attendance at our services and that together we can see God's kingdom come here in Churston, Galmpton (and throughout the world).

**Ian Blyde - Vicar of Churston and Kingswear  
(soon to be Rector of the Brixham Team)**

For the times of our regular services please see **Page 25**.

## Summer Maintenance

During the past summer months, a considerable amount of small repairs and maintenance have been carried out in order to keep the hall in as pristine a state as possible and fit for the purpose of serving the wide spectrum of our local community during the next 12 months.

Main items include three rotten window sills having been replaced, two taps in the ladies toilets replaced and two windows re-glazed. Light fittings have been cleaned, the floor area re-polished, the notice board treated and the outdoor yard area weeded. The heating system has been checked and serviced in readiness for winter.

In response we would humbly request all hall users to assist the committee by checking all lights and taps are turned off when leaving at the end of an event. Very many thanks.

# Friends of Galmpton Warborough Common

Chairman: Cll. Derek Mills

Vice Chairman: Marilyn Everitt

Secretary: Judy Perrett Tel: 842703

Treasurer: Cll. Ken Pritchard

The Friends continue to work for the Common and are liaising with **Tor 2** to ensure they keep the periphery tidy. At the same time a small group of Friends have met to rid the bunds of plants and grasses (in particular the tall Chicory) resulting from more seeding.

Councillors Derek Mills and Ken Pritchard have met recently with the Police Commissioner for Devon & Cornwall, Tony Hogg. The meeting was held on the Common to explain to him the difficulties experienced in negotiating with Travellers and the need for active Police personnel support. Mr. Hogg understands this is a continuing problem and promises to consider and report back on how the situation could be facilitated by the Police in future.

The Committee has been approached by a resident worried about the safety of pedestrians on the Common when horses are being ridden and, whilst warmly welcoming everyone to enjoy this special environment for leisure,

would ask horse riders to be mindful of anyone walking in the area.

In an attempt to visibly 'Reclaim the Common' the Committee is considering ideas for setting up an event next Summer to use the space creatively. If you have any ideas at all on what shape this could take, please contact us and share your thoughts.

A draft of the Constitution for the Friends of Galmpton Warborough Common has been sent to Torbay Council and the Committee is awaiting final ratification which will enable the application for funding. In the meantime, we are grateful to the Community Partnership for their donation of £500 and to local residents for a further £600.

Should you wish to make a donation, register interest, concern, or even offer to be part of litter-gathering or weeding activities, please contact our Secretary on **01803 842703** or [judyperrett@btinternet.com](mailto:judyperrett@btinternet.com).

## Anti-social Driving at Broadsands

Anti-social driving is a recurring issue at Broadsands. PCSO Paul Martin has made this his top priority and is considering a couple of initiatives which hopefully will make a positive impact. Firstly he is looking at getting a CCTV camera installed, with financial support from CP. Secondly he is planning covert surveillance supported by marked cars to issue Section 59 notices.

A section 59 warning notice lasts 12 months and if anyone is caught driving anti-socially or dangerously again within that 12 months the police have the power to confiscate their vehicle. A section 59 notice can be issued in response to a witness report to the police; the report needs to include the make, colour and registration number of the car. If you want to report such activities please call 101, ideally with a photo or video of the incident.

## **Neighbourhood Planning (NP)**

The GRA continues to work through the Community Partnership to ensure that our local NP's are in line with the Council's development of the Torbay Local Plan.

## **GRA Annual Subscriptions**

Volunteer collectors will be visiting Residents over the next 6 to 8 weeks to collect the GRA annual subscriptions.

Your £3 membership of the GRA is a vital source of income that enables us to represent Galmpton on issues that affect our local area.

If you miss your Collector then subscriptions can be left at the Galleon Stores with your name and address.

## **Fruit Tree Planting**

Our local Councillor Ken Pritchard has advised that he has a donation of 200 fruit trees for planting as a communal scheme for local communities.

Please contact the GRA Secretary as above if you have any ideas as to how we may utilise this offer.

## **Galmpton Bus Service**

A replacement for the 500 Bus is most unlikely in the foreseeable future.

Instead the Council is offering a "Fare car", a door-to-door shared taxi service to Morrison's, Paignton centre, Sainsbury's and The Willows at a reasonable price.

If you would like to make use of this service please ring the Council, on **207687** for details and an application form.

## **News Update**

- Our last update was prior to the September council meeting which was due to determine the latest planning application by Bloor Homes and Churston Golf Club. Since then there have been some important developments which have significantly improved our position with respect to defeating these highly unpopular proposals.
- The most significant development was the withdrawal by the developers of their latest application on the very day of the planning meeting. This was because RAGS and the local community provided such a strong defence against the proposed development of the AONB that it became inevitable that the planning committee would refuse it.
- The developers are now appealing their previous planning application which was refused in March. The implications of this are far-reaching. RAGS and the community are now working with the council and have joined forces to defend the council's decision at a public Inquiry likely in February/March 2014.
- Much needs to be done to get the right result for the community. We are engaging experts on the law, ecology, transport, etc. An exciting spin-off from our current environmental investigation is the discovery of further rare species of flora and fauna on the AONB, and along the coast between Churston and Brixham, including important hitherto unknown new colonies of bats, some of which have the highest protection designation not only nationally but also under European legislation.
- Farmer Richard Haddock has been very supportive of the local community. He was concerned the development would negatively impact on his farm and the work he had done to promote Wildlife. Indeed, through his work, Richard's farm supports a nationally important flock of rare birds called Gull Buntings.
- Without the professional expertise, which has been gathered together for the community, we would have stood little chance against the resources of a developer aggressively pursuing its relentless aim to develop our most valuable green spaces. However, the outcome is still by no means certain.
- Much of the blame for the continuing problem is the lack of consultation and total disregard of community views from 4 years ago. Nearly all the then councillors in Torbay strongly opposed the plans and it is very pleasing to report that Council Members of all political groups continue to be consistently supportive.
- This Inquiry will be the final decider as there can be no further Planning Actions or Appeals from either side, once the Inspector has made his decision.

## Churston, Galmpton & Broadsands

Since our last update we have undertaken work across the area as a whole:

**Golf Course** – The CP has continued to object to the development in accordance with our previous mandate from our survey of the whole area. For the latest update see **THE GAZETTE** entry from RAGS opposite.

**The Common** – Tony Hogg the Elected Police and Crime Commissioner for Devon and Cornwall accepted the CP's invite to visit the Common so as to understand the problem presented by the Travellers. He has assured us that the Police with Torbay Council will do their part. We will have to see how his involvement assists.

**Windy Corner** – Torbay Council has recently obtained £6.8m of Government money to improve the road from the dual carriageway to Windy Corner (this is why there have been road works near Sainsbury's). This will increase the bottleneck presented by Windy Corner, so it would be reasonable to expect the postponed junction improvement works to be looked at again.

**Anti-social driving at Broadsands** – For as long as most can remember, of an evening the car-park at Broadsands can be a location for anti-social driving involving revving car engines and screeching tyres. The CP has helped fund a covert camera for use by the police in an effort to reduce this nuisance.

**Tree Planting** – Sutton Seeds kindly donated some 300 fruit trees to our local area and farmer Haddock is kindly storing these until they can be planted. The question is where? What parts of our area could benefit most from a small orchard? Do you have any suggestions or do you want to help with the planting?

**Neighbourhood Planning** – Through the Brixham Forum, the CP has been making representations that certain proposed housing sites suggested by consultants working for Torbay Council are inappropriate. This includes the proposed building, of variously 120 houses, on the fields of Churston Farm. Instead we have promoted the housing sites previously consulted on in previous public meetings. There remains a lot to do on our Plan – hence more volunteers welcome!

## 'You can choose your friends, but not your family'!

**Gillian Major**, who heads the Matrimonial team at *Roger Richards Solicitors*, Paignton, has heard that on many an occasion.

Highly qualified, yet refreshingly *normal*, and with more than 20 years experience, Gillian uses her wealth of knowledge to provide sound advice on all family matters including divorce, break up of a relationship, financial settlement, associated pension issues, child access issues and more!

"Divorce and family problems can be extremely traumatic", says Gillian, "however I try to make the process as easy as possible for people. I find a straight-talking yet compassionate approach guides clients to a solution as painlessly as possible.

**Senior Partner, Caroline Thompson** said: "At a time when there is a tendency for emotions to run high, Gillian's calm approach and her natural empathy puts clients of all ages at ease. Gillian has the ideal approach in this sensitive area of Family matters".

### AUTUMN OVERVIEW

September 2013 has proved to be another strong month in the South Devon Property market. At the end of August, Eric Lloyd & Co reported a 17% increase in sales volumes over the same period for 2012. This percentage increase has been maintained when the sales for September are included within the statistics. Indeed during September, Eric Lloyd & Co exchanged contracts on a sale virtually every weekday throughout the month. The Churston office has recently exchanged contracts on a wide range of properties including; Broadsands Avenue, Lower Fowden, Langdon Lane, Green Lane, Bascombe Road, Bidwell Brook Drive, Blackbrook Avenue and the landmark property Turnpike Cottage opposite the office at Windy Corner. Many of these sales have been to purchasers from outside of the area underlining the continuing confidence purchasers have both in the Torbay property market as well as in the wider area, backed possibly by the sight of the construction of the long awaited South Devon link road. The government are clearly intent on maintaining this impetus in the property market through the coming winter months with the announcement of an earlier than anticipated start to the help to buy scheme. Jonathan Bye, director of Eric Lloyd & Co, commented "that the increased levels of sales so far this year are hugely encouraging clearly reflecting the returning confidence in the British economy. However whilst the market remains strong, some of the large price rises being reported in the national press have yet to be fully reflected in many parts of the West Country meaning that a competitive asking price will remain imperative in effecting a sale during the coming months."
