## Local Tree Felling!

You may have read the article in the **Herald Express** on **26<sup>th</sup> June**, but here is **THE GAZETTE** interpretation of the facts based on a presentation at the recent meeting of your local **Community Partnership**.

The tree felling affects **The Grove** and **Lupton Estate**, where 40 acres of larch and chestnut trees have been identified by the **Forestry Commission** using aerial & ground surveys as being infected by the devastating fungus **phytophthora ramorum**. To prevent the spread of spores, current legislation requires the trees to be felled by September, entirely at the cost of the land managers **Torbay Coast and Countryside Trust** and **Richard Haddock**. To put it in perspective, these historic woodlands exceed 100 acres, so around 40% will be affected.

It is not clear how the trees became infected as the nearest outbreak is at **Haldon Hill** and winds rarely blow from that direction. Probably it has been spread by humans.

There will be some disruption in order to gain access and while the felling takes place. This will expose other trees that may become susceptible to wind damage and need lopping or felling to make them safe.

Although in the short term it will look quite drastic, the affected areas will be replanted with native trees. So in time they will fully recover, and actually improve the local biodiversity. Remember that woodland life-cycles are measured not in months and years, but in decades and centuries.

The cost may exceed **£50,000** for the felling, replanting, and subsequent management of the saplings over many years. This is due to the difficult terrain that prevents the use of heavy machinery, and requires a great deal of manual labour. Therefore, it is hoped that local volunteers will be willing to help restore these woodlands under appropriate supervision.

No doubt further reports of progress and requests for assistance will be issued at future **Community Partnership** meetings.

## **Greenway Community News**

Greenway is under wraps again! It's an incredible 5 years since the house was restored and opened to the public for the first time, so from Tue 1 July the house is being re-painted and having some conservation repairs done. Whilst that takes place, there will be scaffolding around the outside. We're hoping for fine weather so that the painting work can be carried out nice and quickly. In the meantime everything will be open as usual. To make the most of it, we hope to install a viewing platform as part of the scaffolding so that visitors can enjoy uninterrupted and unique views of the river.

We are delighted by the recent launch of a digital trail that emerged from the Quest Play Torbay *Hope* performance in 2013. Young people from the bay prepared things for the trail at three heritage sites, linking Greenway with Cockington Court and Torquay Museum. Look out for the ***Torbay Story Hunters*** game online.

## ‘What makes a nation a nation?’

Thomas Arnold, the great English Headmaster at Rugby, suggested four things that define a nation. These are race, language, institutions and religion. Although he expressed this view in the 1840s, his thoughts are still helpful when considering what it means to be British today.

Arnold believed that it was the state’s responsibility to seek out the highest welfare for its citizens, including the best possible laws, and argued that Britain should base its laws on New Testament morality. He believed the commands and teachings of Jesus Christ, if followed, would lead to the best possible nation. A society where God, the Father of Jesus Christ was worshipped, where neighbours loved each other as themselves, where both the elderly and young were cared for, and where people treated others as they would want to be treated.

In 1840 Arnold’s views would not have been very controversial, but there would be greater debate today over the extent to which a nation can be multi-racial and yet retain its identity as a nation.

The Bible declares that all people are equal, since we are made in the image of God, but it speaks of nations too. The apostle Paul, preaching in Athens, explained that ‘God made from one man every nation of mankind to live on all the face of the earth, having determined allotted periods and the boundaries of their dwelling place, that they should seek God, and perhaps feel their way toward him and find him.’ (Acts 17)

People sometimes ask me how different nations and races came into being, given that we’re all descended from Adam and Eve. If that’s your question, text **‘nations’** and your address to **07769 419 073**, and I’ll post you a free booklet. You won’t be put on a mailing list, and nobody will call.

Alternatively, please look out for the Christianity Explored course we hope to run later in the year, and come and ask your question in person.

Reverend John Gay

## Greetings from West Sussex !

My name is John Gay and I am soon to become Team Vicar with Brixham Mission. Ian Blyde asked me to do a sketch of myself, so here goes.

I was born in Redruth in Cornwall, and lived there until I was 16 when my apprenticeship as a carpenter and joiner took me to Oxfordshire for a few years before returning to Cornwall, where I met my wife, Lucy.

We moved to live in France in 1992 and stayed for nearly 15 years before we came back to England in 2006, when I began my curacy in Taunton.

Four years later I took up my first proper post just outside Horsham.

The family is completed with our daughter, Mihret and son, Dagme.

Among my hobbies is singing, listening to the radio, going to the cinema, following sport, especially rugby and football, but I'll watch almost anything (I don't get time to play much these days!) and all things French especially the food. I 'play' the saxophone, but sometimes it sounds a bit existentialist!

One of the places we have never really stopped is Devon, except for a brief honeymoon at St Mary Tavy. The family are looking forward to coming down to South Devon and are pleased to be moving to the vicarage in Churston. People have been telling us how lovely it is in the Torbay area, and I can quite believe it from what I have seen.

I am looking forward to meeting you soon. With best wishes, John.

# Churston with Galmpton Ward

## Message from your local councillors.

We have been working hard with the CP & RAGS at the recent Golf Course appeal and are sure this will be covered in depth in this publication.

Following the flooding through Churston Village, we have had the two culverts at the top of Alston Lane cleared. Hopefully this will keep any future run off in its proper channel and not overflow down the lane and through the village.

The severe budget cuts have put Churston Library under threat but fortunately we have obtained funding for a further twelve months. During this time we all must look at different ways of maintaining this service and keeping the doors open. We are aware of everyone's wishes to keep the Library at Churston Broadway well into the future but we do need creative ideas from everyone in the ward. These will all be seriously considered.

We are both dedicated to preserve and improve our ward, especially our green spaces and will continue to do so.

We would like to thank all involved individually and in our local associations and groups who work tirelessly to maintain our beautiful ward.

We hold a surgery at **Churston Library** on the **first Saturday** of every month from **10:00 am to 12 noon** excluding **January, May & August**, giving you the opportunity to bring concerns and questions to us. No appointment is necessary, just pop in.

Please telephone or E-mail us if you are unable to attend our surgery.

## **Brixham Peninsula Neighbourhood Plan**

<http://brixhamplan.wordpress.com/>

The draft plans submitted for the Neighbourhood Plan are being edited at present, with final opportunities for GRA representatives to suggest necessary improvements or adjustments to the factual content of the draft. The *GRA* is committed to helping ensure that the rural nature and context of Galmpton should be adequately protected on behalf of the community.

## **Golf Club Inquiry**

Members of the committee and some village residents both attended and made individual presentations at the very protracted and as yet unresolved Golf Club Inquiry, which will recommence on **4<sup>th</sup> November 2014** for final resolution. See the **RAGS** article for further details.

## **Friends of Galmpton Common**

The work of the Common Committee has been temporarily suspended due to work pressures of committee members. It is important that it should be resurrected, however. If anyone is willing to contribute some thoughts and time to considering how the common can best be preserved and enhanced as an environmental and recreational resource, please pass your name to any committee member.

## **National Trust Consultation**

We have not yet received any feedback from the National Trust consultation regarding their proposed extension to opening hours.

## **Dolphin Quay Development Proposal**

Plans for the development of Dolphin Quay have been shelved and will be readdressed later in the year.

## **E-Mail Addresses and GRA Membership**

Most subs have now been collected or received. We encourage residents who would like to be better informed about the work of the GRA on its behalf to pass on E-mail addresses to subs collectors.

Our small committee would greatly appreciate new members or anyone willing to contribute to individual issues. If you think that you could offer anything in this respect, we should be delighted to hear from you!

## **News Update**

Several months have passed since the Public Inquiry into the Churston Golf Course development was placed into recess and there are several more months before the Inquiry resumes on 4<sup>th</sup> November. The Community Partnership Team + RAGS are not resting on their laurels but continue to press forward in preparation for the resumption.

Ecology will be the dominant issue as Traffic and Visual Amenity have already been addressed. This will require that research and analysis of data continues to be undertaken throughout the summer, so that our expert witnesses and our legal team are fully prepared come November.

We remain convinced that our case is strong and that we shall prevail, but it is unlikely that a decision will be reached by the Inspector before 2015.

We are informed that the Conditional Contract, signed by former Mayor Bye, necessary to allow development of the Golf Course to take place, has now expired and that Mayor Oliver has refused to extend the Contract or to sign a new Contract. This will make the Golf Club & Bloor Home's development plans difficult to achieve, even if they were to succeed in gaining planning approval.

## **Churston Pavilion Memorial Playing Field Trust**

**By Councillor Derek Mills**

**Contact: Stewart Hallam Tel: 845651**

The Trustees are determined to secure the financial future of the Trust to ensure the Memorial Fields can be enjoyed by Churston and Galmpton residents for generations to come. Therefore they have agreed a long term lease from Torbay Council for Galmpton United AFC.

The lease has now been signed so all enquiries for hire/use of the grounds should go to Stewart Hallam. I understand the Football Club has applied to be promoted to the next league. Signing of the lease will give the club the opportunity to seek grant funding to improve the grounds and facilities. The Trustees will still keep a watching brief as regards to the terms of the lease.

# Community Partnership

## Churston, Galmpton & Broadsands

The next 6 months will be an important period for our area as there are a large number of things all happening around the same time which will impact it:-

The **Neighbourhood Plan** jointly written by your Community Partnership and Brixham Town Council should have reached referendum stage. At this point you have your final say and vote on the plan which will then become planning policy for the next 20 years. Your Community Partnership has resolved to have a final draft of the plan out to you for consultation by mid September. Assuming Brixham Town Council are able to do the same, this should allow the referendum - which takes place after the consultation - to be held immediately after Christmas. **Brixham Peninsula Neighbourhood Plan** at <http://brixhamplan.wordpress.com/>

The **Golf Course appeal** will have reconvened on 4<sup>th</sup> November and after a further 2 weeks argument by the developer the Inspectors report is also likely to be out immediately after Christmas. It is fair to observe these two events will have a very significant effect on shaping our area.

In addition, at the last public meeting we heard from the Coast and Countryside Trust about the **40 acres of Tree Felling at the Grove and Marriage Woods**. This work, due to take place in the Autumn, is required by the Forestry Commission because trees have become diseased and this will spread if not attended to. Whilst the area will be replanted, the new trees will take time to re-grow. This tree felling is also adjacent to the area of farmland which would be developed into Golf Course were that to be permitted, potentially magnifying any change.

The same meeting also heard about specific proposals to provide a **Community Orchard at Brokenbury**. Initial meetings have already been held with partner organisations with a view to submitting a formal proposal to the council by early August. In part, whether that project proceeds will depend on the support your Councillors are able to give to it.

### “NAUTICAL VOYAGE”

The finishing touches have just been applied to Eric Lloyd & Co's re-fit of their brand new look office at Churston Broadway on the busy Dartmouth Road at Windy Corner. This final touch was the unveiling of a specially commissioned wall mural by the internationally known, Dartmouth based, illustrator and artist Paul Barclay – “Paul Barclay Nautical Voyages”. The mural superbly reflects and highlights the lifestyle of this corner of South Devon by blending beach huts, super yachts, the Galmpton windmill and Brunel's famous viaduct arches into a fabulous piece of bespoke artwork along the full length of one of the office's walls.

Jonathan Bye, director of Eric Lloyd & Co, commented that “this artwork now gives this office a truly unique touch and has already proved a talking point with visitors to the office. Watching Paul drawing freehand directly on to a blank wall was fascinating as the various elements came together to produce this very special feature for Eric Lloyd & Co.”

If you are looking to buy or sell in Churston, Galmpton, Broadsands, Hookhills, White Rock or Goodrington call into the office and have a chat with Rachel, Gary or Sandra and take a look at Paul's artwork at the same time! If you can't make it to the office give us a call on 01803 844466. The team will be sure to make your voyage through the property market as smooth as possible!
