**THE GAZETTE** is free to all residents, and is a non-profit-making publication.

It is partly funded by local businesses, but also by your patronage of village activities, and your subscriptions to local clubs & associations.

It is also often available from the **Galleon Stores & PO**, **Churston Library**, **Churston Farm Shop**, **Hookhills Community Centre** or **Goodrington PO** and online at [www.galmptontorbay.org.uk](http://www.galmptontorbay.org.uk) via **THE GAZETTE** links.

Views expressed are not necessarily those of the **Sponsors** or **The Editor**.

Please inform **The Editor** of any important errors or omissions.

**THE GAZETTE** is onto upcoming Summer events. **Open Gardens** is on the **10<sup>th</sup> June** to avoid clashing with the Torbay Air Show. This year there has been further collaboration with **Galmpton Primary School** to care for the area under the **Jubilee Tree**. Anyone who would like to join in with the kids to create a special area there would be most welcome, please get in touch with me for dates when we shall be planning, designing and planting. Any advice on planting under tree's will be gratefully received. There is another **Scarecrow Trail** this year, so anyone who wants to join in and make one to place anywhere in the village would be most welcome. Any theme you like.

We have the **Gooseberry Pie Fair** on **1<sup>st</sup> July**, an oldie but goodie, with a newbie, the **Cherry Pie Fair** at Hookhills Community Centre on **14<sup>th</sup> July**. Both raising money for local charities and offering a great day out.

Please get in touch if you would like to know more of what's on in your area or updates on **Ageing Well Torbay**. Thank you.

Torbay Libraries are now being run by **Libraries Unlimited**, a Public Sector Mutual Trust, which has been running Devon Libraries for the past 2 years. They have guaranteed to keep all 4 libraries open for the next 5 years and hope to make improvements in that time.

**Libraries Unlimited** will work closely with **Torbay Council** to ensure all existing services continue to operate smoothly over the next five years. Over time, the charity aims to implement a more integrated library service that will offer extended services and resources for both Devon Library and Torbay Library users. For more details see [www.librariesunlimited.org](http://www.librariesunlimited.org).

## **Greenway Community News**

We are excited to announce the garden is now an International Camellia Society '**Garden of Excellence**'. It is the first and only National Trust property with this accolade, one of only five gardens in the UK and around 40 worldwide. At the time of writing the spring is just starting to warm up at Greenway with lush greens and flowers making a show in the sunshine. For the first time this year, we have enjoyed watching the purple crocuses planted in partnership with Galmpton Primary School and Preston Rotary Club blooming. The purple crocus is a symbol of Rotary's worldwide campaign to eradicate polio. The start to our open season presented challenges with snow, which inevitably led to some closures of the property to the public. However, after a busy Easter this seems long behind us.

## By Faith Alone

The Protestant Reformation was the biggest 'shake up' in the long history of the Christian Church. It was an endeavour to return to the original teaching of Christ that had become largely lost under centuries of church tradition. The resultant teaching was summarised under the 5 Solae of the Reformation. The second of these is 'sola fide' which means by faith alone.

This stresses the vital importance of faith and not our good works as the only way of Salvation. This may seem surprising since it goes contrary to popular religious belief. We all tend to think that God accepts good people and rejects bad people. Although this principle is basically correct the problem is that since man's disobedience and estrangement from God none of us can attain the standard of perfection that He requires. Therefore, another way must be found if any of us are to enjoy acceptance with God. That way is through Christ. He is the only one who fully met the standard of perfection that God requires, and He also suffered the just punishment that sin deserves. So, Salvation and the true blessing of God are found not through our efforts but through repentance from sin and faith in Christ. The Hymn writer Augustus Toplady expressed the way of Salvation in this way:

Rock of Ages, cleft for me,	Not the labour of my hands
Let me hide myself in Thee;	Can fulfil Thy law's demands;
Let the water and the blood,	Could my zeal no respite know,
From Thy riven side which flowed,	Could my tears forever flow,
Be of sin the double cure,	All for sin could not atone;
Cleanse me from its guilt and power.	Thou must save, and Thou alone.

Nothing in my hands I bring,  
Simply to Thy cross I cling;  
Naked, come to Thee for dress;  
Helpless, look to Thee for grace;  
Foul, I to the fountain fly;  
Wash me, Saviour, or I die.

Please refer to **Page 23** for the times of our regular services.

## It's a Dog's Life

In Britain, in general we are very fond of our pets. I see many people out walking their dogs; it is good exercise for both pet and owner. When our pet dies, whether hound, horse or hamster, it can be as painful as losing any other family member.

In February 2011 our first dog, called Dilly, died. She was a German Shepherd/Lassie-type-thing cross aged over 15 years. Like any other pet she had her own special character including an uncanny ability to smile (really!). She was French, adopted, understood three different languages (French, English and Breton), had been kidnapped as a young dog and escaped, had a "doggie stroke" aged 12 which left her with a sideways view on life from then on, but she loved life, us and biscuits. Oh, and my roast dinner on my 43<sup>rd</sup> birthday.

We miss her very much still. But has she gone to some kind of doggie heaven or what? We do not know. The Bible tells us nothing about this subject. It tells us a lot about what humans can expect the other side of this life, but nothing about animals. The Bible's prime focus is about God's relationship with us and vice-versa.

Ascension Day is on 10<sup>th</sup> May. The Bible readings recall Jesus physically leaving us for the last time to go to his Father in Heaven, though he is still with us in a spiritual sense all the time. The Ascension is the final stage of Jesus' cycle of existence as a fully-fledged human being; being born, lived a life, died, resurrected and finally ascended from whence he came to live for ever with those who love him.

Sentiment apart, I cannot say if Dilly is heaven-bound or not; she was not capable of professing a faith in Jesus Christ, but she was one of God's creatures, had a sweet nature (I forgave her the roast dinner!) and gave us a lot of fun and laughter, and maybe that is enough.

Best wishes, John.

The transition from Torbay Council Library services to Libraries Unlimited seems to be going smoothly. We must give a vote of thanks to the Mayor, fellow Councillors and Officers for this result. After years of uncertainty, Churston Library remains open for the foreseeable future.

The Whiterock 2 Inglewood development rumbles on. This area is outside both the Neighbourhood Plan & Local Plan. A recent informal meeting with the Developers heard both sides of the argument. The Chairs of Brixham and Paignton Neighbourhood Partnerships, Adam Billings & David Watts, gave an excellent presentation against the plans, emphasising why they go against the relevant Planning Policies. If this Development was granted it would disregard all the work undertaken over the past 5+ years on the Brixham Peninsula Neighbourhood Plan. As Ward Councillors we will support the views of our residents and work to achieve their wishes.

You are all aware of the cuts in services we have endured in recent years. Do you have a grubby road name sign near you that needs a quick wash? We don't, since we donned our marigolds and with bucket & sponge did the honours so now have sparkling road signs. Can we ask you to do likewise?

Finally, far too often we have an unattractive odour pervading our area.

**South West Water** does have occasional problems with the sewage works. The number to phone to bring this to their attention is **03443 462020**.

We hold a surgery at **Churston Library** on the **first Saturday** of every month from **10:00 am to 12 noon** excluding **January, May & August**.

No appointment necessary, just pop in with your concerns and questions.

## Galmpton Village Institute

Chairman: John Risdon: 844102

Treasurer: Lisa Edey: 843239

Hall Bookings & Secretary: June Symes: 842121

The Institute Committee are delighted to inform hall users and the wider community, that a new state of the art audio visual system has now been installed in the hall. It comprises a sound system linked to the loop, to assist those with hearing difficulties. On the visual side a new digital projector is a permanent asset with a much larger screen. **Broadband WiFi** provision is also in the process of being installed in the very near future.

This initiative is due to the setting up of a **Galmpton Community Cinema**, but the new facilities are available to all hall users on request for a small additional charge added to the booking fee to help cover the running costs. If you wish to use these facilities, please make this clear when booking.

# Friends of Galmpton Warborough Common

Chairman: Janet Regan

ViceChair: Clair Stanley

We have reviewed our Short-Term measures and concluded that, following strengthening of the boulders last year, no extra reinforcement is currently needed. Our work group will trim, clear and define ditches in Bascombe Road and Langdon Lane, ensuring they are effective and clearly visible. The Slade Lane gate will be locked until September.

We have collated the results of our Long-Term Plan priorities survey. 650 questionnaires were delivered to Galmpton Village and Bascombe Road area. We got 174 replies: 172 fully supported our approach, so the local community has given us the green light! The main comments were: the over-riding need to keep vehicles off; importance of ditches being well maintained and easily visible to prevent accidents; opposition to any more road widening on Dartmouth Road; and (most commonly) concerns about the dangers of walking on Langdon Lane without a path. Thanks go to everyone who replied, and especially to Gary & Kay at the Galleon Stores for acting as a collection point. The next step is to develop plans for the Brixham side of Langdon Lane with an all-weather natural path, and more in-depth consultation later in the year, when we will also hold our AGM. We will continue to liaise with the council and (given their support) are looking at using soil dug from the path to cover a lot of the boulders and blocks, creating a bund that will grass over, landscaping the remaining visible tops of boulders. This would keep the same level of protection whilst improving aesthetics and providing an area where wildflowers can flourish.

## **White Rock II Development Re-Advertisement of PA/2017/1133**

We hope you received our messages about the re-advertisement of this Planning Application that occurred during the Easter holidays with very little publicity from Torbay Council. Over 400 people objected to the White Rock Development of 400 more houses, a primary school and a public house on the Ring Road at the southern side of White Rock. We advised those people to write again to the Planning Department to let them know that their views had not changed, and to ensure that a very strong demonstration of objection did not get discounted in the process of re-advertisement.

If you did not write in about this, either in March/April or last December, there is still time before the Planning Committee meets. The incalculable loss of high-grade agricultural land bordering an AONB surrounding the Dart river valley needs to be contested strongly as does the loss of quality of life of all communities encircling the area. Please address letters or emails to Angharad Williams, Case Officer, Torbay Planning Dept. Also, please encourage friends or neighbours who have not heard about this Application to write in as well. For more details, do get in touch with us.

## **Neighbourhood Plan**

The Brixham and Paignton Neighbourhood Plans are currently being examined by a very suitable and experienced Examiner who had to be found independently of the Council. Reports from the Examiner will be presented soon and then we will be letting you know the next stage of the process including when the Plans will be the subject of a Referendum.

## **Galmpton Village Traffic**

A member of our Committee and a Primary School Governor met recently with our Ward Councillors to explore possible funding of work to achieve improved adjustments in the village to help with traffic problems. Though Council money is limited, they said they would do their best to assist.

### Neighbourhood Plans (NPs)

The good news is that Deborah McCann, an experienced NPIERS neighbourhood plan examiner, has been appointed to examine the Brixham and Paignton plans. The experienced NPIERS examiner Nigel McGurk is examining the Torquay plan.

Their appointments follow a failed bespoke Torbay Council procurement process over many months and Forums threatening to ask the Secretary of State to intervene. It is disappointing NPIERS was not used from the start as Forums asked.

Examiners will consider the plans and the public comments submitted in the six week consultation ended 18<sup>th</sup> December 2017. They have also been asked by the Council to consider Council documents submitted on 11<sup>th</sup> April 2018 - 4 months late. By the time you read this there might be yet more Council late submissions!

This might appear more democratic if the Council's response actually reflected views of elected councillors rather than unelected officers. The Forums are keen to hear from elected Councillors and submitted a question to the whole Council on 22<sup>nd</sup> February 2018. Cllr Derek Mills as Executive Lead for Planning replied to the question and stated it would not be appropriate to consult elected councillors.

### White Rock II (Inglewood) and Windy Corner Junction

The Brixham and Paignton Neighbourhood Plan forums attended a councillor briefing in March alongside seven Parish and Town Councils who also objected.

A key issue is traffic. The development proposes substantial changes to the Windy Corner junction which depart markedly from the agreed Council scheme residents were consulted on. Despite this, the junction fails capacity tests in the evening rush hour. That is before any account is taken of many hundreds of houses currently being built and hundreds more in the Neighbourhood Plan. Despite this the Council seems rather positive on the scheme.

### National Media Headlines

All of this rather unconventional Council approach to planning has been picked up by national media. ***Country Squire*** magazine ([countrysquire.co.uk](http://countrysquire.co.uk)) run regular features on Torbay and recent headlines include "*Council traumatises whole neighbourhood*" and "*Is Torbay Council corrupt?*". They make interesting reading.

## Two local nursing homes, two outstanding reputations

**Three Corners Nursing Home in Churston Ferrers** and **Hill House in Brixham** are now part of the same group. Both homes have outstanding reputations amongst local residents and healthcare professionals.

Both homes also have excellent accommodation having been recently refurbished and extended and are mainly purpose built. They provide the best in nursing and residential care including **short stay respite** and **day care** for convalescence. There are top quality en-suite bedrooms, fantastic lounges and dining areas, all in peaceful settings.

Please ask to see what many local residents have said about the quality of the accommodation and the outstanding attention delivered by the care teams.

**Three Corners** and **Hill House** both provide:

- Purpose built environment
- Highest quality care
- Freshly cooked wholesome food
- Well being and social activities
- Short and long stay
- Visitors welcome at any time

Advance reservations taken for short term stays.

## Power of Attorney

How do you make an article about **Power of Attorney** interesting? By telling your readers they can reclaim some money, of course!

So, do you have a **Power of Attorney**? If you answered '**Yes**', you may wish to continue reading. If you answered '**No**', perhaps that is something that we can help you with at a reasonable cost.

If you made a **Power of Attorney** between **1 April 2013** and **31 March 2017** and had the power registered, you could be entitled to a refund of part of the fee. However, you can claim only if your **Power of Attorney** was made in England or Wales and you must claim by **31 January 2021**.

Don't all rush to the Travel Agent at once because, while the refund of between **£34** and **£54** will not rank you among the wealthiest people in the UK, it might pay for a little treat somewhere. How much you'll receive depends on when you paid the fees. What's more, you'll receive **0.5%** interest as well.

Even if you don't know when you paid the fees, you are entitled to claim a refund.

So, if you have, or think you have a **Power of Attorney** (either LPA or EPA) which was registered between the dates above, have a good old rummage to find the document, contact us and we can let you have details of how to claim.

For an initial, free half-hour appointment, call either of our offices:

**01803 - 845191** (Paignton) or **01803 - 854123** (Brixham).

Alternatively, just drop-in to our Paignton office on a Wednesday between 4 p.m. and 7 p.m. - no appointment necessary.
