The Station Agent

Rated 12A

After his only friend dies, Fin McBride (Peter Dinklage) a loner with a passion for trains, inherits an abandoned train depot in the middle of nowhere USA, where all he wants is solitude. He comes across two equally odd characters, a distracted artist, and a hot dog stall owner. With nothing in common, the three strike up an unlikely and life-affirming friendship. A gentle quirky film, which won an award at the 2003 Sundance Festival.

Fri 19th Oct *Three Billboards Outside Ebbing Missouri* Rated 15

Mildred Hayes seeks justice for her murdered daughter. With no arrests after seven months, she puts up 3 big road signs to goad the Ebbing police chief into action. But the law and especially the hot-headed deputy doesn't take kindly to the provocation and the townsfolk side with the police. But Mildred is not going to give up. This thought-provoking black comedy contains some strong language.

By Grace Alone

The 3rd of the five solae that are key teachings of the Protestant Reformation is "Sola gratia" which means by grace alone. This is a precious truth that needs to sink deep into our hearts. It means firstly, that none of us by nature deserve the blessing and favour of God since we are all guilty of rejecting His authority and we have defiantly broken His commandments and standards. Consequently, all that God really owes us is condemnation and judgement. However, secondly, the amazing truth is that God in His love and grace has provided a wonderful way of salvation through the life, death and resurrection of Christ. He suffered - the innocent in the place of the guilty – so that God's justice might be met in the punishment of sin, and at the same time He can justly show mercy and pardon to those who repent of their sin and receive Christ as their Saviour. This salvation is due to the grace of God alone since none of us deserve it or can earn it for ourselves. It is the free gift of God. Paul the Apostle wrote explaining this free salvation to the Ephesians, *"For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not a result of works, so that no one may boast. For we are his workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them."* (**Eph 2 v8-10 ESV**) Centuries later John Newton experienced this salvation and wrote this well-known Hymn in which he clearly attributes his personal salvation to the grace of God alone:

Amazing grace! How sweet the sound, 'Twas grace that taught my heart to fear,
That saved a wretch like me! And grace my fears relieved;
I once was lost, but now am found; How precious did that grace appear
Was blind, but now I see. The hour I first believed!

Through many dangers, toils and snares
I have already come;
'Tis grace has brought me safe thus far,
And grace will lead me home.

Goooooooooal!

As I write, the England team are waiting to play their Quarter-Final against Sweden, having just won a penalty shoot-out at a World Cup for the first time against Colombia.

The World Cup is an odd football tournament in a way. If we were to believe the publicity this is a wonderful assembly of national teams from all over the world, gathered together in the name of the love of the game and international fraternity and friendship.

I'm not so sure really. I have always felt the walking on before the match, each player with a child in hand, is rather trite and put on; the same with the 'handshakes' between the players, which are little more slaps. Do the organisers really think people are fooled by this 'bonhomie'? I find it rather tiring. Then there is the diving tournament, players auditioning for the Actor's Studio and some Sumo wrestling for good measure.

So why do I watch it? Because once the real action starts there are all sorts of emotions to be experienced from boredom to amazement, the salutation of courage to the disdain of the cheat, in short pretty much like life.

Except that life lasts longer than 90 minutes, or even extra time. In this world the heroes of the game come and go to be replaced by new giants who in their turn come and go.

This is why faith in God is so important to the believer. In God there is stability where in everything else in life the sands may be shifting. In Jesus, the Christian believes there is an ever-present saviour, who will bring his people to life and life in all its fulness, and this for an eternity. Not only the captain of the team, his handshake is firm, his love and our adoption as sons and daughters real and tangible through our spiritual trust in him.

There is no need for time added on for injury, or extra time in heaven, for the Lord never blows his whistle for time, but allows us to enjoy his company for ever. Have a great summer! Rev. John Gay

Al Fresco Dinning!

We've put a bit of effort into making our outside areas more pleasant and conducive to dining, and they already appear to be incredibly popular.

Whilst there is a long way to go, this is a great first step.

It also gives us a few more practical options to seat people, but we would still strongly recommend to our locals, at this time of year:

~ **please book** ~ We won't mind if you cancel, but we'd rather know you are coming than turn away a friendly face.

A reminder that alongside our ever popular take away **Pizzas** we are now offering our renowned **Beer Battered Fresh Fish & Triple Cooked Chips** to Take Away ~ perfect when it's just too hot to cook.

The Weary Ploughman is open all day for drinks & bookings.

We also have a live online table booking system on our website.

We are awaiting the decision from the NPIERS examiner on the **Brixham Peninsula Neighbourhood Plan**, which is imminent. The **White Rock 2 - Inglewood** proposed development drags on. We will give an update when we have more news.

We are aware there are unauthorised traveller encampments in our ward so please report incidents of intimidation, etc, directly to **101** or Devon and Cornwall Police on **01392 420320**, they will be taken seriously. Make a note of the daily log number you are given and pass it onto us so we can keep an accurate record. We recommend that you have a **“No Cold Calling”** sticker clearly displayed at your front door. Just pointing to this should be deterrent enough and these are currently available from Churston Library and also Galleon Stores in the village.

Remember not all the travelling communities cause problems but for those that do it is important for a complaint to be reported direct to the Police to enable them to act more quickly.

The hot weather can lead to an increase in nuisance smells from the sewage works. The phone number for **South West Water** to report them is **03443 462020**. The contact number for the environment agency to monitor the smell occurrences is **0800 80 70 60**.

We hold a surgery at **Churston Library** on the **first Saturday** of every month from **10:00 am** to **12 noon** excluding **January, May & August**. No appointment necessary, just pop in with your concerns and questions.

Galmpton Village Institute

Chairman: John Risdon: 844102

Treasurer: Lisa Edey: 843239

Hall Bookings & Secretary: June Symes: 842121

Since our last issue we have had the very sad death on the 13th May, of a stalwart of the Village Institute and the community at large, Babs Renwick. Aged 92, Babs, together with her husband John, had served on the Institute Committee an amazing 42 years. John served as Chairman from 1972 until 1985 when Babs took over the role. She retired from the Chair in 2005 but continued to serve on the committee up to the end of her life. Those of us who make use of the Institute in so many different ways, owe Babs & John a debt of gratitude for the loyalty and dedication they gave. The Institute meant a great deal to them both, and the community is the benefactor.

The Institute has changed with the times, over those 42 years, and now as a part of our very modern audio-visual facilities we have an internet WiFi service up and running for the use of all Institute users. The required data and password can be found in the hall, posted on the black noticeboard immediately to the right of the kitchen door.

GRA Annual General Meeting

6:30 pm Wednesday 12th September at Galmpton Village Institute

Friends of Galmpton Warborough Common

Chairman: Janet Regan

fogwcchair@btinternet.com

ViceChair: Clair Stanley

Prior to the *unauthorised camping season* our volunteers have, as planned, strimmed and cleared the ditches and reviewed the perimeter protection. One area of ditch did need deepening. After the grass was cut a resident noticed a boulder had been moved and alerted us. (Thank you!) It looked as if someone had been preparing to gain access, so we have put a much bigger boulder there. Travellers were observed trying to get on the common the first weekend in June, but did not succeed. So far so good! Fingers crossed for the next seven weeks! It is noticeable that after a couple of years with no damage the ecology has recovered, particularly wildlife and fauna in the copse; and the bats are around much more!

The update on the long-term plan is that we have now had an encouraging meeting with the council, sharing with them our progress so far; the results of our initial survey; the ecology report from Devon Bat project; and the ideas we have about a bund and path down Langdon Lane. They were particularly positive about the survey work; the high response and overwhelming support it demonstrated. They were also supportive of initial actions taken to benefit the ecology by leaving an uncut area around the edge, to support plants and wildlife. Before giving us the formal OK to work up and develop our ideas for Langdon Lane, council officers have gone back to their legal department to ensure proposals are compliant with the bye-laws. Currently we are waiting for feedback. If the council give us the go ahead, we will firm up proposals and costs, prior to exhibiting them for comment in conjunction with our **AGM at 7:00 pm Tues 25th September** in the **Churston Pavilion**, Galmpton.

There are obviously significant cost implications, even if some work is done by volunteers. Implementation will depend on fundraising both in the local community and by applying for grants. So, given the council's agreement, it is going to take some time before the project gets underway and current protection measures will need to stay in place until the work is done.

Community Partnership

Churston, Galmpton & Broadsands

Neighbourhood Plans (NPs)

At the last public meeting the CP was asked why the neighbourhood plan was so long and why it was important. The plan seeks to deliver community objectives using input from the various expert professionals who have been involved in preparing it. The main purpose of the plan is to inform planning applications and it is likely the document will be poured over by more professionals if there is money at stake. On this basis the document is not the easiest read! It is however a key document which will inform the White Rock II (Inglewood) development.

By the time you read this it is likely the Neighbourhood Forum will have received a final version of the Examiners report on the 3 separate Neighbourhood Plans for Torquay, Paignton and Brixham.

The next step will be for the Council to consider the report and consider whether as a result of new evidence or fact or a different interpretation of a fact, it disagrees with the report.

If the Council fully agrees with the inspectors report it is possible a referendum may be held by the end of the year.

White Rock II (Inglewood) and Windy Corner Junction

There have been further delays in the Inglewood proposals. The latest information the CP has is the application may go to a planning committee in September at the earliest.

Community Insurance

Torbay Community Development Trust has an insurance policy for all **Community Partnerships in Torbay** and each one has made a contribution to the premium. This covers the functions, events, meetings, litter picking, area tidying, etc, etc, that groups within each partnership area organise.

If you run a group in our area and wish to use the cover we have paid towards, send an e-mail explaining your event to **Colin Hurst** and get confirmation from him you are covered. His e-mail is colin18154@gmail.com.

Quality service as usual

As **Kim Griffith** has taken a step back and become a **Consultant** within Roger Richards Solicitors at Paignton and Brixham, the Partners are delighted to welcome **Samantha Porter** to the firm to run and develop their Wills and Probate department.

A local lady, **Samantha** is well known in Torbay, having lived and practised with other prominent firms in the area for many years.

An Associate Member of the Institute of Legal Executives, **Samantha** has been practising locally for over 10 years, gaining a wealth of experience, knowledge and contacts along the way - not to mention a substantial following of loyal clients!

Caroline Thompson, Senior Partner, says: "*Samantha's expertise lies in Wills, Probate and Powers of Attorney. That is what I need her to develop while I concentrate on other areas of our practice.*"

Here at Roger Richards Solicitors we are a close-knit team, and I am confident she will fit in to the team here extremely well, and provide our clients with the quality service that they are used to receiving. I believe Samantha is the one for whom we have been waiting to build on the solid foundation established already."

So, to make a 'no-nonsense' Will, or for some advice on lasting powers of attorney or probate, call **Samantha** now for an appointment.

For an initial, free half-hour appointment, call either of our offices:

01803 - 845191 (Paignton) or **01803 - 854123** (Brixham).

Alternatively, just drop-in to our Paignton office on a Wednesday between 4 p.m. and 7 p.m. - no appointment necessary.
